Transport and
Public Works

Western Cape Government Department of Transport and Public Works: Roads Branch is committed to ensuring direct local investment and community benefits through capital maintenance contracts across the Western Cape Province. Contract C1148 affects the communities of George and Knysna. The Contract Participation Goals (CPG) have been informed by Empowerment Impact Assessment and Empowerment Feasibility investigations to scientifically determine economic opportunities for the local areas and communities. Due to the extent of the site, CPG targets have been specified for George and Knysna as shown below:

CONTRACT PARTICIPATION GOALS	MINIMUM TARGETS		
	GEORGE	KNYSNA	TOTAL
Targeted labour (person days)	7 400	7 200	14 600
Targeted labour (work opportunities)	35	34	69
Targeted enterprises	R3.5 million	R3.5 million	R7.0 million
Local enterprises	R0.7 million	R0.7million	R1.4 million
Emerging Contract Development N/A due to short duration.			

The Contractor is in the process of assessing local businesses for subcontract work packages and appointing local labour to meet these targets.
