

NOTICE OF ROAD CLOSURES DUE TO THE BRIDGE WORKS ON REFINERY INTERCHANGE ALONG PLATTEKLOOF ROAD

The Plattekloof Road (MR14) bridge over the Trunk Road 11/7 (N7) carriageways will be closed to traffic for bridge construction works to the Refinery Interchange. The closure will start from the evening of 24 November 2023 to the morning of 27 November 2023. The N7 northbound on- and off-ramps, and the southbound on- and off-ramps at Refinery Interchange will remain open to traffic.

Accommodation of traffic will be in place for safe passage of traffic around the construction works. The public is advised to use alternative routes where possible.

The Western Cape Government is working hard to maintain our roads. Please drive carefully during this period of construction. Let us work together to ensure that our roads are better **FOR YOU**.

FOR YOU

Infrastructure

The objective of this project is to upgrade the Refinery Interchange. The upgrade includes the construction of two new Road-over-Road bridges on Platteklouf Road to accommodate the widening of Platteklouf Road, as well as widening of the Road-over-Rail bridge. The project was awarded to H&I Construction (Pty) Ltd in July 2021. The expected completion date is February 2024.

To commence with Phase 5 of roadworks, the Platteklouf Roadway over the N7 will be closed to traffic from 19:00 on 24 November 2023 to 05:00 on 27 November 2023. The N7 northbound off- and on-ramps, and the southbound off- and on-ramps at Refinery Interchange will remain open to traffic.

The flow of traffic around the mentioned construction works will be safely accommodated and diverted as depicted in the picture below.
