THE JOBSEEKER TRAVEL VOUCHER PROGRAMME

WHAT IS IT?

Welcome to Getting YOU to Work, a pilot programme that provides free vouchers to jobseekers like you, to travel to interviews in Cape Town with Golden Arrow Bus Services.

HOW DOES IT WORK?

Important information:

- **GABS Gold Card:** This is the card used by GABS for electronic, cashless payments. If you don't have one, you'll get one for free. If you already have one, the voucher will be loaded onto your existing Gold Card.
- **Transport services that can be used by voucher holders:** Your free travel voucher can only be used on Golden Arrow Bus Services, which mainly operate in Cape Town, and only from Monday to Friday between 8am and 4pm.
- **Number of trips per voucher:** 1 voucher = 12 free trips. Each voucher, once loaded onto your Gold Card, gives you 12 free trips, which are valid until 31 March 2025.
- **Trips and transfers:** A trip is one bus ride. If you need to use two or more buses to get to your interview, you must transfer within 2 hours of boarding the first bus for this to be counted as one trip.
- **Number of vouchers per person:** Eligible jobseekers may only receive one voucher with 12 free trips.
- **Using your voucher:**
 - If there are multiple products loaded on your Gold Card, please instruct the driver to use the Western Cape Jobseeker product when boarding the bus.
 - You will be given a ticket after tapping your Gold Card which will show the number of trips or journeys remaining on your card, the number of transfers remaining, and the transfer expiry time. Keep this ticket in case an inspector boards the bus.
- **Golden Arrow Bus Services routes and timetables:** If you are looking for the best route to take to attend your interview, or your nearest GABS kiosk or independent vendor, contact the Transport Information Centre on 0800 65 64 63 (toll free) or visit the GABS website on www.gabs.co.za
