

# NOTIFICATION OF TRAFFIC ACCOMMODATION MEASURES ON WHITE BRIDGE, N2 KNYSNA LAGOON ROAD

Due to unforeseen circumstances, the bridge rehabilitation works along N2 Knysna White Bridge (Lagoon Road) have been delayed. Completion is now expected early in 2023.

As a result of this delay, current traffic accommodation measures (see attached schematic layout) will remain in place for the 2022/23 festive season and holiday period.

We appeal to all road users to comply with these safety measures. A daily inspection will take place to ensure safe passage for the travelling public.

The Western Cape Government is working hard to maintain our roads. Please drive carefully during this period of construction. Let us work together to ensure that our roads are safe. **For You.**
