

The 2023 budget gave effect to the Western Cape Government (WCG) Institutional Refresh initiatives that were announced in the 2022 State of the Province Address. This involved the establishment of two new Departments of Mobility (Vote 8) and Infrastructure (Vote 10) that now replaces the former Departments of Human Settlements and Transport and Public Works. Municipalities are therefore required to take note of the following grants when returning the unspent funds to the province.

Vote 8: Department of Mobility

- George Integrated Public Transport Network – Operations
- Transport Systems - Public Transport Safety
- Provision for Persons with Special Needs
- Integrated Transport Planning

Vote 10: Department of Infrastructure

- Human Settlements Development Grant (Beneficiaries)
- Settlement Assistance
- Municipal Accreditation & Capacity Building Grant
