

## BOOK CLOSURE REQUIREMENTS

1. This annexure serves to summarise the following:

### BAS and LOGIS EBT payments and receipts

2. For expenditure on **BAS** to be recorded against the current financial year's budget (2024/2025), the department must ensure that the expenditure is authorised by no later than **26 March 2025**. The settlement date of these payments should be defaulted by the system and not changed by the department.

Payments with a release date after **26 March 2025**, will only be actioned in the new financial year if available cash allows.

- 2.1 For capturing expenditure on **LOGIS**, the settlement date for payments must be **26 March 2025**. Payments with a **settlement date after 26 March 2025** will only be paid in the new financial year.

- 2.2 Please note for LOGIS payments:

- a) The process flag and the re-submission queue must be clear; and
- b) The payment must be 'awaiting disbursement' on ENDO.

- 2.3 **NB: Departments are strongly advised not to delay capturing of payments until the last week of March 2025 as this may cause a system overload.**

### Deposits

- 2.4 Monies received and receipted on the last working day of the financial year, i.e. **31 March 2025**, must be banked on the same day. BAS manual receipts must be issued in respect of monies received after banking hours on **31 March 2025** and must be dated **1 April 2025**. The words "Received after banking hours" must be endorsed on such receipts for audit purposes. These receipts must be banked on **1 April 2025** and captured on BAS.

### Petty cash expenditure

- 2.5 All petty cash expenditures up to **31 March 2025** and especially reimbursements, by means of payment advice must be accounted for during March 2025.

### Accounting Month March (3) Transactions

- 2.6 It is imperative that the correct accounting month is used at all times when expenditure is being processed in respect of the 2024/25 financial year.

### Inter-departmental balances

- 2.7 Departments are urged to clear all inter-departmental balances before year-end. When a claim has been settled and the receipt accounted for after 1 April 2025, an explanatory note must be included in the relevant annexure. The schedule below reflects the final settlement dates for payments:

Payment type	Payment date
BAS and LOGIS EBTs	The release date for payments will be <b>26 March 2025</b> for payment <b>31 March 2025</b>
PERSAL	The last supplementary run for all departments will be <b>17 March 2025</b> for payment on <b>20 March 2025</b> . Health and Wellness runs will be on <b>24 March and 26 March 2025</b> .

- 2.8 The date set by National Treasury for the final book closure for the 2024/25 financial year on BAS is **29<sup>th</sup> of April 2025**.

**NB: Departments that fail to close before 16:00 pm on 29<sup>th</sup> of April 2025 will be force-closed.**

### FINANCIAL YEAR-END PROCEDURES

3. The checklist provided in **paragraph 5 of BAS Notice 2 of 2025 (Annexure 3)** serves as a guideline to assist departments to successfully close off for the 2024/25 financial year within the set target dates.
4. **BAS Notice 5 OF 2025 (Annexure 4)**, Last working day of 2024/25 financial year the 31<sup>st</sup> of March 2025 which falls on a Monday.

Par.3 stated that **“It is crucial that departments plan adequately to ensure that all payments are recorded in the correct financial year, especially if these payments pertain to the 2024/2025 financial year.”**

### Asset and liability accounts

5. Every attempt must be made to follow up and clear outstanding amounts currently in the asset and liability accounts. **Annexure 3 appended to BAS Notice 2 of 2025** contains the accounts that must/preferably have a zero balance at financial year-end.

### Year-end procedures

6. The following procedures should be strictly adhered to on the day departments close their financial year:
- 6.1 Request two trial balances (**totals on Fund 2, Item 3, Item 6, and Item 9**) as at **31 March 2025** (one immediate and one deferred) after capturing and authorising the month closure, but before the year-end batch run.
- 6.2 Please remember to request all departmental-specific reports (i.e. trial balances) before capturing the month closure on BAS (Reports must be requested “immediately” to reflect the accounts before closure).

## PERSAL RELATED REPORTS

7. **NB: All departments have the functionality on PERSAL to draw all PERSAL reports to compile the AFS as at 31 March.**

- 7.5 The Departments of Health and Wellness and Education must request the prescribed reports on contingent liabilities and employee benefit provisions from PERSAL on **31 March 2025**.

## PROCEDURES FOR POST-FINANCIAL YEAR-END CLOSURE

8. The **following** procedures should be executed after the departments have closed the financial year:
- 8.1 Departments should verify that the financial year-end closure batch did process the trial balance report. This report should be kept safely as it would be cleared from the report log on BAS after a period of one week and is required for the compilation of your AFS.
- 8.2 Additional reports required for compiling the AFS include, *inter alia* debtor's reports, detailed reports on expenditure and revenue, etc. as at **31 March 2025** should be requested as soon as the closure of the financial year is authorised.
- 8.3 If the net results of the financial year-end are not as follows, contact the Provincial Treasury BAS User Support:
- All EXPENDITURE (Payment) accounts must have a zero (0) balance;
  - All REVENUE (Receipt) accounts must have a zero (0) balance;
  - The General Account of Fund/Vote account must have a zero (0) balance; and
  - The General Account of Revenue account must have a zero (0) balance.

## FINAL AUDIT CLOSURE

9. Once the Auditor-General of South Africa's (AGSA) report has been received and all adjustment journals (if applicable) have been captured, the Period Opening and Closing functionality in BAS must be used to finally close (audit closure) the financial year.
10. Important to note, that each Department is requested to submit to the Provincial Treasury: Provincial Government Accounting and Compliance unit a confirmation letter certifying that the accounting month for March (3) has been finally closed on BAS.

## LOGIS Reports

11. The LOGIS Financial Year-end 2024/25 Preparation Plan, Action Plan, and Checklist is available on the LOGIS Website: <https://logis.pwv.gov.za/logisweb/Procedures>BusinessSupport>Functional>Year-End> (see Annexure 6).
12. It is recommended that Departments compile manual reconciliations on opening and closing balances for major assets, minor assets, and inventory based on the available LOGIS reports (see Annexure 7).
