

# Support our school-based vaccination programme

**1 March to 30 April 2021**

School nurses will be visiting public schools to administer doses of:

- The human papillomavirus (HPV) vaccine; and
- The tetanus and diphtheria (Td-Diftavax) booster.

**Girls in Grade 5**, over the age of 9 years (and those who missed last year's vaccination), with the necessary consent, will be eligible for the HPV vaccine.

**Boys and girls in Grade 5**, over the age of 9 years, with the necessary consent, will be eligible for the Td-Diftavax booster.

**Remember to sign and return the consent form.**

**Vaccines are safe, free and effective.**

Remaining committed to providing effective vaccines that contribute to lasting health benefits **BETTER TOGETHER**
